RECORD FOR THE WEEK AT BENNING

Current News of Interest in the Base Ball World.

LATE SPORTING NOTES

On no other American race course are the rules designed to insure clean and honest racing more rigidly enforced than on the Benning track. Last year, at both the spring and fall meetings, records for winning favorites were established, records never exceeded elsewhere. At this meeting, while the records of last year have not been equaled, yet favorites and second choices have won a majority of the races. Thirty-six races were run last week, favorites being successful in seventeen of them, while second choices captured five of them. From this showing, it is apparent that the public has, so far, had the better of the struggle with the men of odds.

The attendance at the Benning track Saturday afternoon, the ninth day of the meeting, was a remarkable one when it is considered that the weather conditions could hardly have been more disagreeable. Had the day been fine, the crowd would unquestionably have been the largest ever seen on the course. As it was, it was the largest of the meeting, and as the attendance at this one has so far exceeded that of any other spring meeting, it is clearly evident that the interest here in racing is materially increasing from year to year, and that considered that the weather conditions could ly increasing from year to year, and that the efforts of the local club to furnish honest and high-class sport are being duly re-

Hunters' Steeplechase The feature of Saturday's card was, of

course, the hunters' steeplechase at two and one-half miles, in which a field of ten started. It was a spirited contest and aroused so much enthusiasm that it will be repeated next Saturday, when the winner, Last Chord, will be penalized. Eophone, owned by Mr. Robert Neville, led from flag-fall until within a short distance of the Hitchcock's Last Chord. Had a stronger boy been on Eophone he would undoubted-ly have been the winner. Sackett was third. In the second race Sweet Clover showed what a good filly she is by running the half mile in a sea of mud in 50 1-5. Summary.

The following is a summary of the races: First race, six furlongs-The Rhymer, 107 (T. Burns), 1 to 6, won; Magic Light, 115 (Miles), 5 to 1, second, Time, 1.17 4-5. Second race, two-year-old fillies, half a mile-Sweet Clover, 114 (T. Burns), 3 to 5,

Third race, the second spring hunters' steeplechase, about we and one-half miles—Last Chord, 135 (6, Green), 4 to 1, won; Eophone, 132 (Saffel), 4 to 1 and 3 to 5, second; Sackett, 166 (Caram), 4 to 1, third. Time, 5.41 2-5. Captain Connover, Quick-silver, In the Push, Silver Fox, Connover, Russell and Emory also rin.

BASKET BALL.

Easterns Defeat Gibraltars in a Well-Played Game.

The Eastern Athletic Club basket ball team scored another victory Saturday night in the game with the Gibraltar Athletic Club. The score was: E. A. C., 14: G. A. C., 6. The game was well played throughout, the first half resulting in a tie. 6 to 6. The first half proved a close contest, though for awhile it looked as if the Gibraltars would come off victors.

As a result of winning the game Saturday night the Easterns now have a firm hold on second place in the championship of the District League. The Washington Light Infantry still holds first honors in the

league.

The feature playing for the Easterns was done by Moffitt, who landed four goals from the field during the game. Rice and Evans also played an excellent game for the Easterns, while the Gibraltars were well represented by O'Hagan, Brady and James,

WILL TRAIN AT HAMPTON, VA.

Washington Players to Practice or Soldiers' Home Grounds.

Last week's rainy weather proved too nuch for Manager Manning's patience, and

Saturday afternoon he decided to put what players who were in Washington to work. The Soldiers' Home grounds at Hampton, Va., were the most available, and he immediately sent Secretary Needham down to that place to make arrangements. Needham left. Women's Tailor-made Gowns.

Our department of Women's Ready-to-wear experienced and enjoyed its greatest business the past week. Each day witnessed accumulative success, thus a graduated increase of sales-one day surpassing the other in intensity of business expression-hence, naturally in importance of meaning, until the climax was reached Saturday. The amount of sales and the actual business more than doubled last year's Easter week.

And it is no more than natural. Reputation won upon merit is a splendid thing-and age frequently adds more luster to it; especially so in this instance. Probably our greatest business centered in the lines at \$24.50, \$28.50, \$32.50 and \$38.50; thus it must be that more women are learning of the superiority and perfectness of the Parker-Bridget gowns at these modest prices. Scores of women with an expression of delight have already told us-that in every point they are equal and in many superior to what the most expert exclusive tailors turn out for \$40 to \$50. And we know that to be true. Another advantage we give you: Ours are not the same old stereotyped styles throughout the entire season, but ever fresh and new, thus at all times showing not only a satisfactory stock, but one that for richness, brightness and newness is far in advance of any other in Washington.

French Waists, SO For \$5.50. \$6.00 and \$7 values. A Bargain.

Very fine French Flannel Waists, light in weight and colors.

The season's best styles and patterns. Made in very best manner and splendidly fitting. Very great value at \$3.45-regular prices of which are \$5.50, \$6.00 and \$7.00. Wash Shirt Waists.

All styles-that is, those that are best. Almost all prices. Special values at \$1.25, \$1.75, \$2.25 and \$2.50, and an exceptionally fine line at these prices, including every stylish and favored material. Even our cheapest waists possess that merit and distinctiveness, a certain charm and individuality, that appeal to women.

And the great business we've already done in Wash Waists further emphasizes their virtues.

Muslin Underwear and Corsets In Our Little French Room.

We at all times offer very attractive values in Muslin Underwear. Specially interesting now are the lines at 85c., 95c., \$1.25, \$1.65 and \$1.85. Not only are they large, but in the widest range of variety, offering more and better styles, also better qualities, than may be had elsewhere for the same price.

In Corsets we offer the best of French and American makes. The Classique and C. B. The latter at all popular prices.

Our Men's \$15 Suits.

Pay \$15 for a suit of clothes if

Because at this price you have larger choice than at any other, and quality is extraordinarily

By quality we mean the goods itself, linings, trimmings and making.

And the next bit of advice we would give is to buy that \$15 suit at this store.

Because we'll show you more and better styles than you'll find elsewhere, give you better quality and a most perfect fit. In fact, we'll give you as good a suit of clothes for \$15 as your tailor, if he is a good one, would charge about \$25 for.

And that's a fact.

Come here and let us prove it. It won't take us long, nor will we experience difficulty in convincing your mind and

Tomorrow's Vale-Georgetown Game Tomorrow's game between Georgetown and Yale promises to be unusually interesting, as the latter has improved considerably in its team work since last time here. In addition Georgetown's game today with Princeton should be a hard one, and if the dark blue hold together tomorrow, striking out the one-inning case of rattles, the victo-rious march of the blue and gray may be stopped. The Yale players were considerably mortified over their easy defeat when last here and will probably do their best to even up matters. The game will be called at 4 o'clock.

EVERETT'S CONFIDENCE.

Will Make a Good Showing.

"Watch me soak Comiskey before I leave this city," said Bill Everett before leaving Chicago for the east, says the Record-Herald of that city. "I'm going to get a goodsized bet with him that he won't take that pennant again and another that he won't finish as high as the Washington club."

"You better not crow too soon," suggest ed "Sandow" Mertes, who has now become an ardent American leaguer and especially a follower of the White Stockings. "Last year there was some crowing along

in the first of the season about what would and wouldn't be done and where did it all land? Right in Comiskey's camp." "Watch our smoke," rejoined Bill. "Why, I'll predict right here that Washington will be at the head of the percentage column when the last game is played next September. We wind up with you fellows and those games that we take at that time will land us in the top rank, if we don't have a

land us in the top rank, if we don't have a walk-away all season."
"Cut it out," said Sandow. "What do you know about it? Just as though we couldn't skin you to death."
"Not on your life. Here's how the first four clubs will finish: Washington, Chicago, Philadelphia and Detroit," said the leader of the capital aggregation leader of the capital aggregation.
"How do you figure it?" queried Comis-key's latest acquisition. "Will the National

leaguers make the teams top heavy?"
"No, I think not. 'A man can't play too good ball no matter how slow the company of the rest of the team," was Bill's reply. of the rest of the team," was Bill's reply. "Even though several National League men are added to each American League team of last season they will serve to strengthen them and get better work out of the men held over. Those men know that to have a job next year they must make good this, and with the assistance of National Leaguers they will put up faster, better ball. Any team that did not get its share of the deserters from the old league will not hold a ghost of a show with the others, in my opinion. That's why I figure these four first and Washington at the top of the list. Before 'Commy' gets away I want to hook onto him for a good little lump that he won't be first and that Washington will lead him."

"You'll have to pay if you do," said "San-"You'll have to pay if you do," said "Sandow," as he walked away,

Wilmington Y. M. C. A. Defeated. Wilmington's Young Men's Christian Asociation basket ball team came to this city Saturday and in the evening faced the local Y. M. C. The final score was 14 to 6 in favor of Washington.
